LAS COLINAS LOT 65

This collection of homesites within the award-winning Querencia community are situated on hilltops overlooking the Sea of Cortez with sweeping vistas spanning the San José del Cabo coast all the way to Punta Gorda. Located just beyond the gated entrance of the private, masterplanned community, the homesites at Las Colinas provide the ideal canvas for your truly custom home.

Querencia is a private golf and beach resort community home to the award-winning Tom Fazio-designed 18-hole golf course that has been named the best golf course in Mexico by Golfweek magazine and is consistently ranked in the top 100 worldwide by Golf Digest.

Beyond golf, there is so much to enjoy at our #1 rated private community in Cabo. Explore our 1,800 acres of coastline, cliffside and desert to enjoy thoughtfully curated amenities both on land and at sea -- from more than 10 miles of hiking and biking trails, fitness and wellness classes, to stand up paddling and kayaking. Querencia is also home to multiple dining options, a world-class Spa and so much more. Perched on a hilltop, the single-family homesites of Las Colinas provide stunning vistas of the San Jose del Cabo coastline.
